Fire levels Carnarvon area home early Friday evening

The 3 bedroom home of Toos and Ron Reid of Buckslide Road near Carnarvon was completely gutted by fire early Friday evening.

Ironically, Mr. Reid who was visiting friends in the area while Mrs. Reid was in Toronto, had left his property about 5:05 pm after feeding the animals and Stanhope Fire Department report receiving the call at 5:14 pm.

Although the home was located in Minden Township, Stanhope Fire Dept. arrived on the scene within minutes and found the flames licking the back wall of the frame house.

Firemen believe the blaze started in a wood shed adjoining the house and a southerly wind drove the flames right into the interior of the building.

When Minden Fire Dept. arrived more water was poured on the blazing structure and it was prevented from spreading to trees and outbuildings near the house. Firemen report being on the scene for more than five hours and smoke from the ruins was still visible Saturday evening.

A fund has now being started for the Reids and their two small children and anyone wishing to donate clothing or household articles may do so by leaving them at Kinsman's Cottages located on Hwy. 35 at the North Shore Road, two miles north of Carnarvon.

The Reid family are now living in a comfortable winterized cottage in the area and are making plans to rebuild next year.

Snowmobile collision 4 hours after purchase, \$1800 damage

A 25 year old Minden man purchased a snowmobile on Monday of last week and four hours later was involved in a collision.

Kirk A. Taylor, of RR 2, Minden bought his new machine Monday, had it insured, picked it up and took it for a spin on his property. Taylor went over a hill and struck a tree stump. Damage to the machine was estimated at \$1800. Taylor was treated for minor injuries following the mishap. PC Dunham

Faulty heater switch ignites gas can, Jeep is destroyed

A Gooderham area man was on his way home on Wednesday evening in his 1967 Jeep when he noticed sparks coming from the Jeeps heater switch. Before he could extinguish the problem, the sparks ignited a one-gallon gas can that was sitting on the front seat beside him.

Ronald L. Mintz 36, of Gooderham was eastbound on Hwy. 503 when the mishap occurred. The vehicle was totally destroyed. No charges or injury. —PC Barry Connelly.

SANTA CLAUS VISITS NORLAND CENTRE

NORLAND — Santa Claus really made his rounds on Saturday. First he was in attendance at two parades, in Haliburton and Cobocok and then took time out of his schedule to stop in at the Norland Centre and talk to some very excited youngsters. Above, one of these youngsters, Tracy Ann LeCraw 6, sits on Santa's knee

and tells him she wants a doll for Christmas.

Above right, Vincent just couldn't be coaxed by either his mother or Santa to sit on his knee, however he did ask from a distance for a truck for Christmas.

Tear down, fix-up at Express next paper January 18th

It's that time of year again when we try to enjoy the Christmas and New Year's festivities following which we begin our annual shop cleanup.

During the year, all machinery at The Express is called upon for various tasks and little or no maintenance is practised. It is for this reason that we are now going to miss a couple of publishing dates for the needed repairs.

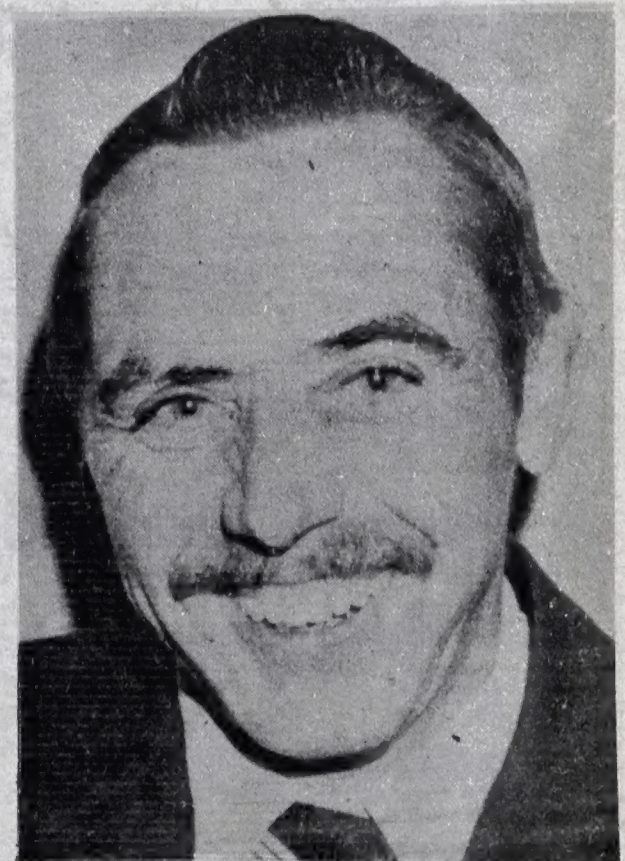

Although no paper will appear until Jan. 18th, our office will be open as usual and with professional help called in, I trust our repairs will go smoothly.

At this time, on behalf of Cliff Burke and myself, I would like to extend a very Merry Christmas

and a healthy, prosperous New Year to each and everyone. See you in January, Bob Mann.

At about 2 am on Sunday morning a 1978 Jeep driven by Leslie Snyder 33, of Brantford was involved with a collision with a birch tree.

Snyder was westbound on the Shan-gra-la Road south of Ox Narrows, when the Jeep began to slide on a curve. The vehicle entered the south ditch striking the tree. — PC Mike Legge.

Minutes of AHM inaugural meeting of last week

The inaugural meeting of Anson, Hindon and Minden was held last Tuesday at the Community Centre with newly elected Reeve Sinc Nesbitt in the chair. The remainder of council consists of deputy reeve Doug Pritchard, councillors Len Lonsberry, Lyle McKnight and Stuart Brandon. Also present were by-law enforcement officer Dick Schell, road superintendent, Earl Kent and clerk-treasurer Mrs. Elinor Burk.

The clerk-treasurer administered the Declaration of Office and Oath of Allegiance to all members of council and Reverend Doug Miller of the Minden United Church delivered the inaugural prayer.

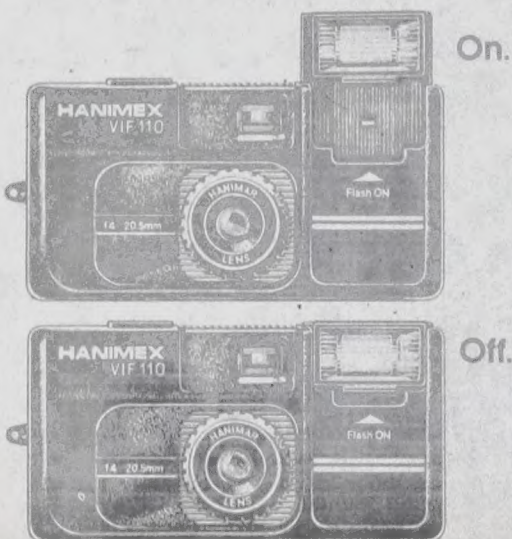

Mr. Dave Willis, owner of the Rockcliffe Hotel approached council with a set of plans for the proposed addition to his building. Council asked Mr. Willis to keep the members informed of his progress.

Council accepted the tender received from Sid Stamp Fuels to supply gasoline, diesel and furnace oil to the municipality.

Council directed the road superintendent to install approximately 80 feet of 24" culverts on the east side of St. Germaine St. to protect the waterline which runs parallel to the street and also to provide better drainage.

Permission was granted for Stanhope Township to leave their docks at Little Boskung Lake for the 1978-79 year, provided they assume full responsibility for them.

GOOD NEWS

by Reverend David Barker

Each year at Christmas time institutions in the public eye attempt to promote something to do with Christmas. This year the Canada Postal Service has excelled itself. You have all seen the new issue of stamps reproducing paintings of the Virgin Mary with the Christ Child. Have you noticed what the Mother and Child hold?

Bishop Allan Read, who was with us in our parish recently has done some investigating, and found the meaning behind the symbols held by the Madonna and Infant.

He told us "the 30c stamp of the Virgin Mary with the Christ Child is a 14th Century work by Jacopo di Cione of Florence, Italy. The Holy Babe holds a gold finch in his left hand. This bird eats thistles and thorns. The Child was destined to wear a crown of thorns as He went on the way to the cross of Calvary.

"The 12c stamp is an anonymous piece from 15th Century Cologne in Germany. This time the Mother holds a flowering plant" the common garden pea. This plant removes valuable nitrogen from the air and fixes it in the soil, making the soil rich

Recount taken. Hutton new councillor in Cardiff Twp.

CARDIFF — A recount of votes by County Judge for the Provisional County of Haliburton in Lindsay resulted in the vote between Frederick Gillick and William Hutton being certified as 100 votes each.

Pursuant to the Municipal Elections Act 1977, Section 85, that was held by the clerk of the Township on Dec. 8th, the results being the successful name drawn was candidate Hutton, and therefore he is declared elected as councillor Mrs. Gayle Billings, clerk-treasurer reported.

for the crops to come. The Christ, as He died upon the Cross, brought the love of God and fixed it in the hearts of men.

"The 14c stamp is by a 15th Century artist, Memling. In the Child's hand is a golden apple. In the opening of the Bible, Adam and Eve ate the forbidden fruit. This is not the last word for man. St. Paul tells us that the Lord Jesus is the Second Adam . . . the golden-apple symbolizes the new life underlining the Child's mission as the new Adam re-opens for us the Gates of Paradise."

As those artists worked hundreds-of years ago, they hoped that others would be inspired by the loving gift of the Saviour as they looked upon those symbols. They could not have dreamed that one day reproductions of their work would be pasted on millions of letters and sent all around the world. The story of Christmas is that God takes our gifts, however small, and by His gift uses them for His purpose in ways we never dreamed of.

Thinking Slim

BY JEAN NIDETCH

Do you talk to yourself? It's all right to say yes. We all do, even when we're not fully aware of it.

We're constantly telling ourselves, yes, I can do such and such, or no, I can't. And often, it's the telling that keeps us from the doing!

Well, you may say, who knows better than you? Ah, there's the question. And that's where talking to yourself comes in, my friend, especially when it comes to weight control.

If you do it my way, no one will come after you with a net and I can almost guarantee that with persistence and practice, you'll have those pounds falling off like autumn leaves.

Let's take peanuts, for instance, and let's say that they're the one snack you think you simply can't resist.

Now, you find yourself at a get-together and everywhere you look, it seems, you see peanuts! You may as well give in, you tell yourself, because you know you can't resist them.

What you're really saying is not "I can't resist them," you're saying "I won't resist them." Recognize this and simply turn the other way and say, "I certainly can and will resist peanuts." Chances are you will.

So you turn your back on them and satisfy your "appetite" with a low-calorie soft drink or a cup of coffee, determined that, beckon as they may, those

peanuts aren't going to get the best of you.

It may not succeed the first couple of times you try. It isn't easy to combat "what's the use" thinking because, for most of us, it has become a comfortable habit.

And you know what habits are like — half the time we're not even aware of them.

Peanuts, in a way, are easier to deal with because they're tangible. Negative thoughts are sneaky so you have to keep an "ear" out for them. (And you can.)

The next time you hear yourself saying, I "can't" or "never can" do such and such, stop yourself right there. Reverse that thought into its positive side and repeat to yourself, I "can" do such and such; I "will" do this or that.

If you give yourself enough positive messages over a long enough period of time (start by making a positive self-statement every time you look at your watch, for instance), that will become a comfortable habit, too.

And one you won't have to worry about getting rid of!

Gravenhurst nips Cannington wins Bantam Championship

MINDEN — Another very successful hockey tournament was held at the centre on Saturday. Eight teams participated in the event and some fine hockey was witnessed by the fans who took time out to cheer on their teams.

Gravenhurst emerged the winners defeating a very able Cannington team 5-3 and winning the Watson Yake trophy.

The Consolation Final was won by Uxbridge, blanking Woodville 8-0. For their outstanding effort they captured the Gord Monk trophy. The following is a complete run-down on how the tourney went: Game 1—Minden, the host got off on the right foot turning back Woodville 3-1 in the opener. Gary Hembruff opened the scoring for Woodville in the first period but goals by Allore from Shapiera and Stamp in the second and two by Ingram in the third, decided the issue. Kevin Hamilton and Greg Austin assisted on the first Ingram goal while Eldon Bull set up the second.

Game 2—Cannington 7: Brian Nicholson 3, Jeff Butterworth, Jody Howe, Blair Bogden. Keene 2: John Cobven and Shawn Whalen.

Game Three—Oshawa 7: Dennis Fitzpatrick 2, Mike Smart 2, Paul Harris, Todd Clark and Colin Atkinson. Haliburton 1: Steve Smith.

Game 4—Gravenhurst 3: Richard Strenght 2, Don Wilson. Uxbridge 0.

Game 5—Woodville 3: (winner due to scoring first goal) Ken Jones 2, Mike Patterson. Keene 3: Shawn Robinson, Dan McDougall, Dave Girard.

Game 6—Minden got off to bad start. Poor skating by the team saw them fall behind 2-0 to Cannington, on goals by Nicholson and Butterworth. However in the third, Minden skated hard, passed well but could only tie their opponents 2-2 on goals by Hamilton and Allore.

Game 7—Uxbridge 7: Brian Taylor 4 and Greg Parodine 3. Haliburton 2: Scott Mitchell and S. MacNaull.

Game 8—Gravenhurst 2: Dwayne Mercer 2. Osh. 0. Consolation Final—Uxbridge 8: Brian Taylor 2, Trevor Tills 2, Greg Parodine 2, Russ Aitchison, Dave McFarland. Woodville 0.

YBC Family Twosome results

CARNARVON — Each year in the Youth Bowling Programs around the Province, each YBC youngster brings his or her mother, father, cousin, uncle, aunt, sister or brother out to the lanes for the tournament.

At Carnarvon, there are some 50 young boys and girls from the age of five to 17, who bowl in two leagues each Saturday. Of these, 42 took part.

Trophies are only awarded to a youngster who bowls with his or her mother or father. They are not presented to a child who does not bowl with a parent, but championship chevrons are given to the champions in each division. These divisions are — mother and son, mother and daughter, father and son and father and daughter.

This year's champions and winners of trophies are: Scotty Yake and father Watson; Cathy Darby and father Gord. The Watsons had a score of 838 while the Darby's had 803. Consolation champions are Kelvin Mann and father Don with a pinfall of 821 while Cindy Brown and father won with 799.

Winners of chevrons this year were, in Bantam Eric and Ruth Johnson, Susan and Barb Ballantyne, Heather and Lee Boyes, Tony McCloskey and Ron Robinson, Elizabeth and Byron Lambert. In Junior, Darrin and Joanne Sutton, Nancy Conway and Hilda MacFarlane, Kevin and Paul Warburton and Barb Adams and Wes Stata. In Senior, Warren and Lil Mann, Kelvin and Don Mann and Cathy and Gord Darby.

On behalf of the YBC program and instructors at the lanes, we would like to thank all those who took part and to wish all of you a very Merry Christmas and a prosperous New Year.

Championship Game—Gravenhurst 5: Don Wilson, Jack Brownlee, Dwayne Mercer, Russ Brown and Rob McLaren. Cannington 3: Craig Sims, Brett Winnitoy and Brian Nicholson.

Which One is the Drop-out?

All of them. Ten million Americans have high blood pressure but dropped out of treatment. High blood pressure can't be cured but it can be controlled. If you need medication, take it.

HALIBURTON — The Nov. 50-50 draw was held at the regular Haliburton and District Lions Club meeting on Nov. 23. The winner was Steve Roberts of Haliburton who won \$67. The next draw will take place on December 28th.

Need for Sr. Citizens at new apt. building

MINDEN — According to clerk-treasurer Elinor Burk of AH&M Twps., applications for the new Senior Citizens apartments, shown above, are few in the municipality. There are 19 one-bedroom apartments available to seniors, however to date Ministry of Housing representative, Linda Langston, is unable to fill these apart-

ments with local senior citizens. Now says Mrs. Burk, "we have been given permission from the Ministry to look into the municipalities of Stanhope, Snowdon and Lutterworth for applicants." At a cost of about \$480,000 the building is expected to be finished by summer '79.

Many thanks for your loyalty and confidence.

Ask Alma

Dear Alma:

Some years ago I lost my first business and a lot of money. Since then I've had a good job working for

someone else.

I want to be my own boss again and open up my own business. My problem is my wife. She is afraid I will fail again and refuses to co-sign the notes for the loan I need to get started.

Do you support her posi-

tion or mine? — Frank

Dear Frank:

"Better to be safe than sorry" is a philosophy that results in inertia and prohibits growth. Everyone's entitled to one mistake. Unless you are devoid of business judgment, you should have another chance to make it on your own.

I think your wife should reconsider her position and give you the support and signatures you need.

on several occasions that the nickname bothers me, but she doesn't believe that I mean it, laughs and ignores me. She reads your column, too. Maybe if

you write back to her instead of me, she'll realize I mean it. — Mrs. Charlotte Hiller

Dear Her:

Knock it off! You're souring your friendship with too much honey.

Dear Alma:

One of my friends keeps addressing me as "Mrs. Hiller, Honey." I find this quirk very irritating and want her to call me Charlotte like everyone else does.

I have mentioned to her

Robbie McLeod scores twice. Pee-wees win 4-1 over Hal.

MINDEN — Thursday evening at the Centre, Minden Pee-wees extended their season's record to nine wins and one loss, when they downed arch-rival Haliburton 4-1. The game was no contest for Haliburton as the Minden team is one of the strongest in the area.

Robbie McLeod came through with a fine performance, cashing to rebounds on Jeff Stapp point shots. Doug Schell scored the prettiest goal of the season for Minden when he took a lead pass at centre ice, outmuscled a Haliburton defencemen, and fired a rising shot to the corner of the net, beating the Haliburton netminder completely.

Scott Yake scored the fourth Minden goal on a set-up from Kevin Warburton. Kelly Mitchell spoiled Scott Danilko's shut-out bid midway of the final period with a beautiful end-to-end rush, scoring unassisted.

Kawartha Dairy blasts L.B. 7-1, Coneybeare nets 4

The Tri County Kawartha Dairy Bantams evened their season's record at four wins, four losses and two ties at the Centre Thursday evening, downing a very poor Little Britain team, 7-1.

Craig Coneybeare was the inspirational leader for the Dairymen, potting four goals. Brett Porter, Brent Anderson and Doug Stribbling added singles. Coneybeare opened the scoring early in the first period with a shorthanded goal, then added three more before the period ended. Little Britains' Jim Taylor cut the Minden lead early in the second. However, four straight goals by Minden in the third period settled any doubt who had the best team.

BROOMBALL ACTION

with SPUTNIK

At 8 p.m. the Truckers took on the Jets at the Centre for a well matched game. Final score was tied 2-2. Scoring for the Truckers were John Saunders and Paul Warburton, for the Jets, Steve Crowe and Brian Austin.

At 9 the Movers and the Lakers battled for the lead with the Movers winning 6-0. Scorers were P. Fearrey 2 with singles going to Bill Hogg, Bob Sisson, Stuart Russell and Shane McKelvey.

There will not be a game on Tuesday, Dec. 26 but the next game will be on Jan. 2nd with Lakers and Jets at 8 and Truckers vs. Movers at 9 p.m.

Merry Christmas and a happy New Year.

MINDEN CURLING NEWS

by Jim Garbutt

The first schedule is complete and the second will begin after the Christmas, New Year's break. It looks like a busy second half with eight teams already full in both the men's Tuesday night and mixed Wednesday night leagues. Thursday night mixed could have up to 12 teams participating.

Many new curlers are beginning after the new year and the club will be holding social and instructional nights on Wednesday and Thursday Dec. 27-28. All club members are welcome to attend and refreshments will be served.

den Curling Club: Penny Obee, skip, Dale Austin, Patti Prentice, and Catherine Kellett, which won the district championship at Bobcaygeon in Provincial competition. The Minden team had quite a few crucial moments, and were able to make some fine shots when needed the most. The girls proceed now toward the interdivisional title early in January. Good luck ladies in Meaford!

Novices, class of tournament defeat, Fen., Beav. and Lindsay

FENELON FALLS — Minden Novices travelled to Fenelon on Saturday and turned in a performance seldom seen by a visiting team. In their first game, Minden trounced Fenelon 8-0. Jeff Warburton led the way with a hat trick, Dwayne Cooper scored a pair while singles went to Scott Nesbitt, Jeff Francis and Mike Wray.

Minden then took on Beaverton in the semi-finals winning by a poultry 5-0 score. Jeff Warburton and Scott Nesbitt scored twice with Mike Wray getting the fifth.

This put Minden in the championship game and they just kept right on scoring. They completely dominated a weak Lindsay team to the tune of 7-2. Once again Warburton and Nesbitt potted a pair and Wray scored twice. Francis added a single. Casey Crutchman scored both Lindsay goals.

Coach Leroy Nesbitt has put together a solid team of Novices this year and they have a perfect five win season going. It looks like Minden could have a powerhouse Atom team in 79.

DOLLO'S IGA JUVENILES 5 OPS 4

Friday evening at the Centre, Dollo's IGA came through with their third win of the season, a 5-4 squeaker over Ops. Trailing 3-1 going into the third period, Minden apparently found their scoring eyes. Kevin Newell scored the winner late in the third other goals by Rod Consack, Dan Allison, Kim Hamilton and Carl Briscoe.

The juvenile record for the season after Friday's game now stands at three wins two losses and a tie.
